FIRST
DEPUTY COMMISSIONER

JAN 20 1906

U. S.
PENSION OFFICE.

Hon. V. Warner,
Commissioner of Pensions:

Mr. Bomberger, Chief of the Raters' Section, puts up a pretty strong proposition to me on the attached slip. I wish you would let one of your clerks handle the claim, that the action may be a personal one by you. I am not at all afraid of taking action in the case, but think it is one that you ought to take.

To Mr. Warner Div.
