Hon. W. Warner,  
Commissioner of Pensions, Washington, D. C.

Dear sir: - Mrs. ~~Saboline~~ S. Moulton, widow of George H. Moulton, soldier, has handed me a letter from you stating that in her application for pension she states that her husband died June 8th, 1905 now as this is incorrect and it being very strange that such an error should be made in the application, I have thought as the letter is labeled "widow of George F. Moulton" which should be "George H. Moulton", that two applications might have become confused. Please send me Moulton a copy of the application if possible and any errors will be changed according to the true facts.

Respectfully,  
W. M. Tupper
